JD,

Please see attached. The only major edit relates to one of the memorandum's legal citations. Other than that, just minor stylist suggestions.

Alison, Micheline, and Rick,

After finalization of the Weir EE/CA and the decision to implement NDEP with the assistance and the cooperation of the NERT have drafted the attached NDEP Action Memo. This Action Memo will direct the NERT to execute the Weir EE/CA. Please review the attached and let me know of any comments or concerns you may have. I would like to get this out to the NERT within the next few weeks to keep this project moving forward if possible.

This is the same format that was used in 2011 to direct NERT to operate the GWETS and to complete the soil removal action on Site (also attached).

Jeff, we will discuss this in detail next Wednesday during the BMI tour.

Thank you,

JD
